

ASX ANNOUNCEMENT

19 June 2015

New Head of Finance / Company Secretary

Decimal is pleased to announce the appointment of Daniel Potts as Head of Finance reporting to the CEO – Australia & New Zealand, Carolyn Colley.

Potts brings a wealth of international experience gained in start-up and growth stage businesses based in the UK. Most recently Potts was Financial Controller at Alaric Systems, a VC backed company acquired by NCR Corporation for \$84m in 2013. Prior to that he was Group Financial Controller at The Cornhill Partnership Ltd, the HQ holding company for key recruitment brands operating in the executive search and senior interim management spaces.

Effective 1 July, Potts will also assume the position of Company Secretary taking over from Andy Watt who has resigned from the business and leaves on 24 July.

About Decimal

Decimal is the world's first Financial Services advice platform that enables enterprises to deliver a seamless advice experience to the mass market.

The white label platform is designed for the largest enterprises down and offers full online configuration and customisation to the enterprise's look and feel. It is the only end-to-end solution that helps manage every step, from finding new customers, to servicing them, through to execution and ongoing tracking.

It is also the only omni channel advice delivery platform enabling financial advice anywhere, anytime and the first with in-built compliance capturing and tracking every customer and advisory activity.

Decimal has been architected ground up to leverage the benefits and scalability of a multi-tenanted SaaS cloud platform.

Decimal is headquartered in Sydney with offices in San Francisco, Melbourne and Perth.
